## Diary

### Read next Sunday's Gospel for St. Peter & St. Paul (29<sup>th</sup> June)

#### Matthew 16 : 13-19 Peter, the rock

This is one of the very rare saints' days to displace the Sunday celebration of the Resurrection of the Lord, which shows its importance. In a way, it is still a Feast of the Lord, for it is the feast of the Church. Peter is to be the Rock foundation of Jesus' own people, for that is what we are. Christ has called us together as his own people and he has promised that he will always be present in this Church, 'when two or three are gathered together in my name'. So, Christ is present even in an ordinary household trying to live together with Christ at their centre. Here, Jesus makes the promise to Peter that what he binds on earth will be bound in heaven; his decisions will hold firm in the eyes of God. Later, Jesus makes the same promise to the community itself. So Peter is the spokesman for the Christian community, voicing the decisions of the Church. At his last meeting with his disciples, the risen Christ promises to be with them 'till the end of the ages'; the bishops, as the successors of the apostles, are the channels of Christ's presence among us now. So today is the celebration of Christ among us, his people.

**How do you celebrate day by day this wonderful presence of Christ in our midst?**
